A Message from the Principal

Good Afternoon Walled Lake Western Learning Community:

This is, indeed, an unprecedented time for our learning community. As you know, the district, under the leadership of Mr. Gutman, is working diligently to keep our students safe while preparing to maintain appropriate levels of student engagement during the time the district is closed. As we move forward, you will receive information directly from the district about what to expect as we navigate through this unique state of concern.

Today, we encouraged all students to take their belongings home during the time the district is closed. Items include:

- Books, binders and other leaning resources and accessories
- Clothing; (from gym lockers), jackets, coats, hoodies and other articles
- All personal technology; computers, tablets, and phones
- If your student has a medical plan with prescription drugs retained at school, please pick up those prescription drugs from building personnel on Monday, March 13th.

Walled Lake PTSA Irene Daniels Scholarship

The Walled Lake PTSA Council has established a Scholarship Fund in the memory of Irene Daniels. Mrs. Daniels was a mother at Twin Beach Elementary and was very involved with the school’s PTA. She also served as secretary of the Walled Lake PTSA Council and assisted other PTA’s. Mrs. Daniels was described as a wonderful, caring and giving person. Unfortunately, Irene Daniels became ill and passed away in 1964. She leaves a legacy of caring for children, which continues today.

The purpose of the Irene Daniels Walled Lake PTSA Council Scholarship is to encourage worthy students to undertake a post-secondary course of study. The Council Scholarship Committee reviews applications and qualifications of students from Walled Lake Central, Walled Lake Northern and Walled Lake Western High Schools and one winner from each school is selected every year. The PTSA Council bases some of the criteria of the scholarship on volunteerism, leadership, school activities/honors, and recommendations by counselors or teachers. The three students selected each receive $750 to use toward future educational costs.

Students who are eligible for the Walled Lake PTSA Irene Daniels Scholarship should submit their applications to the school counseling office by March 20th. The senior or his or her parent must be a member of PTSA. Winners will be notified shortly after spring break.

As has been the practice in the past, the scholarship recipients from each high school will be invited to the May 18, 2020 awards and installation ceremony at Geisler to receive their scholarship checks and congratulations. They will be featured on the front of the yearly PTSA Candle. It is a wonderful honor.

Applications are due the third week in March to the student’s counselor.
