Dear Parents and Community Members:

We are pleased to present you with the 2018-19 Annual Education Report (AER) which provides key information on the 2017-18 educational progress for Walled Lake Central High School. The AER addresses the complex reporting information required by federal and state laws. The school’s report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Principal Charles Morgan for assistance.

The AER is available for you to review electronically by visiting the following website https://goo.gl/qkqojA, or you may review a copy in the main office at your child’s school.

For the 2017-18 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

Walled Lake Central was not identified with any Support Labels.

Walled Lake Central's key challenges are identified when you drill down into the data provided below. Our work surrounds improving instruction to close subgroup achievement gaps that are present within our scores. The key initiatives implemented to assist with closing the academic gap are staff in-service focused on instructional improvement, our Core Builder RTI (response to intervention) program for incoming 9th graders, data analysis of the PSAT 9, PSAT 10 and PSAT data to identify low performing standards, and a school wide initiative to implement the close reading strategy of annotation.

State law requires that we also report the following additional information.
Student Enrollment | School Assignment
Walled Lake Schools enrolls and assigns schools to students based on the attendance areas in which they reside. Maps and information on the District enrollment process is available on the District website at: http://wlcsd.org/parents/enrollment/.

School Improvement Plan
Walled Lake Central High School is accredited by AdvancED (formerly the North Central Association) and is continuing to maintain and enhance our five year School Improvement Plan. Walled Lake Central High School Improvement Plan

Specialized School Report
In addition to the regular K-12 program, our School District provides educational alternatives and opportunities for students as well as meeting special education needs. The “Specialized Schools Report” is available in our school office or on the District website at www.wlcsd.org.

Core Curriculum
The Walled Lake Consolidated Schools’ Board of Education has officially adopted Michigan Academic Standards in all Core content areas. Please visit the following websites for a listing of academic standards.
