**Freshman Year**

Your freshman year may be best described as a period of adjustment. As a student new to the high school, you will have a wide variety of new experiences.

- Become familiar with the WLC Program of Studies Book
  - Pay particular attention to pages explaining Graduation Requirements
  - Pay attention to pages explaining College Preparatory Curriculum

- Familiarize yourself with the Career Center, Located in B100
  - Complete Education Development Plan (EDP) through [www.careercruising.com](http://www.careercruising.com) web site.
  - Define short and long term goals
  - Complete four-year academic plan
  - Pick a Career Pathway

- Meet with your Counselor to discuss:
  - Develop a four-year plan
  - Review academic courses, to meet college requirements
  - Choose elective courses wisely

- Establish regular school attendance

- Learn and practice effective study skills and work habits
