Junior Year

Your junior year is a pivotal time. Post-high school institutions look closely at your scheduled courses, grades and activities when making their decisions about you. Do your research and make sound choices so you can achieve your goals. You should visit the Career Room (C201) to review junior/senior time-line.

September:
- Attend Junior/Senior Parent Night
- In the fall, sign up in Career Room to meet with college representatives
- Check that your course credits meet college and NCAA requirements
- Become involved in one or two extracurricular activities
- Begin building your file of college applications, recommendation letters, etc… Also, update your Educational Development Plan (EDP) through www.career cruising.com

October:
- Register for and take the PLAN/PSAT, to be eligible for National Merit Scholarship competition.
- Sign-up in the Career Room for the Armed Services Vocational Aptitude Battery (ASVAB) Test. This is a great career assessment, even if you aren’t interested in the Military.

November/December:
- Strive to keep up grades
- Prepare for ACT/SAT tests

January:
- With your counselor decide when to take the ACT/SAT tests
- Visit Career Room for ACT/SAT Registration packets. Students can also register online, by visiting the ACT web sites at www.act.org. The SAT web site is www.collegeboard.com.

February:
- Meet with counselor regarding senior year schedule
- Review your transcript with your counselor to determine how competitive your post-high school choices should be.
March-June:
- Create a list of potential college choices
- Plan college visits and make appointments

Summer:
- Begin to work on your application essays
