2020 VIKING YEARBOOK
SENIOR YEARBOOK OPPORTUNITIES

Hey Seniors!

Appearing in the 2019-2020 Viking Yearbook is as easy as 1-2-3!

1. **Submit Your Senior Portrait**
   If you have had a senior portrait taken at Focal Point, you need not do anything other than have your headshot selected by December 20 (the last day before Winter Break).
   If your portrait was taken by another photographer, please be sure to submit your photo via email (melissaborgquist@wlcsd.org) or on a CD (to the main office) by DECEMBER 20. Contact Advisor Melissa Borgquist if you miss the deadline.
   Seniors’ school ID photos will appear in the yearbook if no senior portrait is received by deadline.

2. **Turn in a Senior Quote**
   This year, seniors are invited to provide a favorite quote to be included with their name. Space is limited, so consider length and, of course, school appropriateness when choosing your quote.
   *Quotes are due no later than December 20, 2019.*

3. **Purchase a Senior Tribute Ad**
   Parents and families of seniors are invited to commemorate their favorite senior’s graduation with the purchase of an advertisement. Photos, text, and even a new smartphone/iPhone-activated video photo montage option can be included in ads starting as low as $70.
   *Ad requests, photos, and payment must be received no later than March 1, 2020.*

Of course, you can’t see yourself in the yearbook... ...
