March 20, 2020

Dear WLCSD Families,

We hope you are safe and taking care of your family. We are proud to have distributed 1,100 Chromebooks to families, that our incredible staff set up Google classrooms, and that we have been able to provide meals. Information on the next two food distributions is below. Most importantly, we hope that you and your family are doing well.

Some feedback we have received is that the volume of emails from Walled Lake Schools is overwhelming. We apologize for this, as we understand you are getting communication from me, principals, and teachers and their Google classroom sites. Do what you can. Always know, if you cannot find an email from the District with information you may need, you may access all of the emails on the District website. These are unprecedented times and information is changing. We are working to keep all of the information and resources for our families on the homepage of our website in the COVID-19 news item and in the Parent Resources news item.

WLCSD Food Distribution March 23 & March 30

Distribution Date(s) & Time: Monday, March 23 and March 30 from 1:45 to 3 p.m. or when all the food is distributed.

Where:

- **Walled Lake Western High School, 600 Beck Road, Walled Lake**
  - Pick-up at Western is outside the gym entrance in the parking lot and bus loop area near the athletic fields.

- **Walled Lake Central High School, 1600 Oakley Park Road, Walled Lake**
  - Pick-up at Central is at the main entrance. Please follow those directing traffic.
Children will receive 7 days of breakfast and 7 days of lunch for all children 18 and under, and adults with disabilities 26 and under.

The meals distributed are provided by the Unanticipated School Closure Summer Food Service Program (SFSP), are available to all children at no cost.

Food Distribution English
Food Distribution Arabic
Food Distribution Japanese
