Walled Lake Consolidated School District

Walled Lake Consolidated School District Update - Aug. 29, 2019

WLCSD Parents,

Thank you to all of our children, staff and parents for making our first three days of the 2019-20 school year welcoming, and focused on Every Child, Every Day. Please mark your calendars for upcoming Curriculum Nights!

SAFETY First!!

While safety will always be first, we would like all parents to review this bus safety video. The roundabout construction at Carroll Lake at Cooley Lake continues as well there continues to be construction at 14 Mile Road and Haggerty, and Novi Road and 12 Mile will also remain closed until after Labor Day. Detour traffic is routed north and south on Meadowbrook.

- Make note of the School Bell Time changes for elementary afternoon dismissal times and half days.
- The updated bus times are listed on the website.
- Parents may always call the transportation Hotline at 248-956-5199 for information on any bus running ten or more minutes late.

Events & Reminders:
