A Message From the Superintendent

Every Child, Every Day!

Friday, August 28, 2020

Dear WLCSD Parents:

This global pandemic changed our world in various ways, yet we will continue to provide a first class education to your children. I believe in our staff and know they will do their very best to provide your children with their very best. We look forward to the first day of school, Monday, August 31!

Thank you to those of you who attended Meet and Beep events at our elementary schools, the virtual Parent Technology Info Session last night, and the Transitions Open House on Wednesday. We had our PTSA Principals and Presidents virtual breakfast a couple of weeks ago, we will launch virtual preschool Monday, September 21, and there will be virtual Curriculum Nights in September. More than 4,500 families have requested Chromebooks and our staff and students will continue their educational journeys on either OUR Path or MY Path.

Our children deserve the best. Do we wish we could be in person? Yes, and we all know that face-to-face instruction is what is best instructionally. But we will continue virtually for the time being to keep our children and community safe. The WLCSD school community has modeled flexibility, versatility, collaboration, and creativity to continue to deliver educational programs. Thank you for doing this together.

WLCSD 2020-21 School Year important information:

1. **High School Schedules have not been posted to Skyward yet. Thank you for your patience.**
2. **Network issue: Some parents have received a network error; this is being examined immediately**
