Walled Lake Consolidated School District Update: February 27, 2020

Hi WLCSD Families,

Thank you for your patience as we strive to keep everyone safe on these unpredictable winter weather circumstances. Here is the most up-to-date list of evening programs/practices for this evening.

**Important Information:**

1. Purchase tickets for the Foundation for Excellence’s Tuition Expedition 50/50 Scholarship Raffle - View “Got Tickets?” video produced by WLN HS film club.
2. State shows Improvement on Graduation/Drop Out Rates (MDE Press Release)
3. Census 2020 is April 1 – get the facts.
4. Although Walled Lake Schools has not experienced, in any way, the Novel Coronavirus, or 2019-nCoV, a new respiratory virus first identified in Wuhan, Hubei Province, China in December of 2019, we are staying abreast of all precautions and information available, both locally and federally. This is the Oakland Health Department link and this is the Center for Disease Control link.

As a precaution, we have added a question to the Request a Tour link on the website and will decline/delay a tour for anyone that answers that they have traveled to China in the past six months.
