Walled Lake Consolidated School District

Walled Lake Consolidated School District Update - Sept. 26, 2019

WLCSD Parents,

On Sept. 17, we had our first half-day of the 2019-20 school year. Our staff engaged in professional learning (PL) throughout the District. We recognize that half-days can be inconvenient for families; however, this time provides our staff with ongoing professional learning opportunities to ensure we are continuously improving. Our goal is to provide an exemplary education for your child and continuous staff learning is essential in achieving this goal.

During the first PL afternoon, our schools focused on providing tiers of support for our learners’ social-emotional and academic needs. This is referred to as a multi-tiered system of support or MTSS. Strengthening our MTSS framework, specifically core instruction for all students, is a District-wide focus this year. We also analyzed assessment data and created action plans to address areas of need. This work is connected to our district goals.

We are grateful that our staff is continuously striving to improve and for our community’s support. If you have questions about our professional learning plans, please do not hesitate to contact your child’s principal.

Please support Lakes Area Youth Assistance at its annual LAYA Taste of the Lakes, Oct. 1!
Register Online for 2019 Western Oakland County Parenting Education Fair and review the amazing 2019 Conference at a Glance.
