Student Code of Conduct Handbook
STUDENT CODE OF CONDUCT

The Walled Lake Consolidated School District believes in the development of each student's potential for learning in a positive, orderly, and safe school environment. To help each student reach that potential, it is necessary for schools to be free of disruptions that interfere with teaching and learning activities. Students, parents, and staff must assume a responsible role in promoting behavior that encourages learning and develops individual potential; just as discipline procedures are necessary in order to protect the rights of each member of the school community, effective student discipline can only be achieved if there is cooperation and shared commitment among students, parents and staff. The school district has the right to have disorderly and/or disrespectful individuals removed from the school setting.

The Student Code of Conduct is an official declaration of policy of the Walled Lake Board of Education. Provisions in the Student Code of Conduct apply to all students in grades pre-K-12. Differences in age and maturity are recognized and will be considered when determining intervention strategies or disciplinary actions to be taken.

The Student Code of Conduct is in effect during the following student situations:

1. When students are traveling to or from school or a school-sponsored activity, including bus transportation.
2. When students are present in or on property of the district.
3. When students are at any school-sponsored activity, regardless of its location.
4. When students are using school telecommunication networks, accounts or other services.
5. When students are engaged in misconduct in the community that is reasonably likely to materially interfere with the educational process at school.

All school community members are encouraged to become familiar with the Student Code of Conduct.

Revised - August 2010, 10/6/11, 5/17/12, 11/7/13, 12/5/13, 10/5/17

ACADEMIC INTEGRITY

In order to maintain an academic climate conducive to each student's success in the pursuit and transmission of knowledge, the secondary schools in Walled Lake have established a set of academic standards for all of their students. We want all students to develop into strong leaders and students who are well prepared for the challenges of lifelong learning. The development of academic integrity is critical for personal success not only today but for tomorrow. As such, we have the following standards with regard to academic integrity.

Students are expected to conduct themselves to the highest standards of personal integrity. Students must adhere to the rules prohibiting academic dishonesty and resist peer pressure to violate these high standards of integrity. Students are expected to use honest methods to fulfill academic expectations and responsibilities. Whenever students have any questions about this procedure or any procedure, they should ask their teachers, counselors, or administrators. Academic dishonesty is defined as: cheating, plagiarism or otherwise obtaining grades under false pretenses.

Academic dishonesty is engaging in academic cheating. Cheating includes, but is not limited to, the actual giving or receiving of any unauthorized aid or assistance, or actual giving or receiving of unfair advantage on any form of academic work. A student shall not engage in plagiarism, which includes the copying of language, structure, idea and/or thought of another and representing it as one's own original work.

SEARCHES OF LOCKERS AND LOCKER CONTENTS

Lockers are School Property
All lockers assigned to students are the property of the school district. At no time does the school relinquish its exclusive control of its lockers. The school principal or his/her designee shall have custody of all combinations to all lockers or locks. Students are prohibited from placing locks on any locker without the advance approval of the school principal or his/her designee.

Legitimate Use of School Lockers
The school assigns lockers to its students for the students' convenience and temporary use. Students are to use lockers exclusively to store school-related materials and authorized personal items such as outer garments, footwear, grooming aids or lunch. Students shall not use the lockers for any other purpose, unless specifically authorized by school board policy or the school principal or his/her designee, in advance of students bringing the items to school. Students are solely responsible for the contents of their lockers and should not share their lockers with other students, nor divulge locker combinations to other students, unless authorized by the school principal or his/her designee.

Search of Locker Contents
Random searches of school lockers and their contents have a positive impact on deterring violations of school rules and regulations, ensuring proper maintenance of school property, and providing greater safety and security for students and personnel. Accordingly, the board authorizes the school principal or his/her designee to search lockers and locker contents at any time, without notice, and without parental/guardianship or student consent.

If school authorities have reasonable suspicion that a student(s) may possess illegal items (firearms, weapons, drugs, etc.) or other items determined to be a threat to the safety or security of the student or others, or items which are used to disrupt or interfere with the educational process, the administrator may search that student's person and/or personal property, including but not limited to bags, brief cases, satchels, purses, and motor vehicles. Where practicable all searches will be carried out in the presence of an adult witness.
The school principal or his/her designee shall not be obligated, but may request the assistance of a law enforcement officer in conducting a locker search. The school principal or his/her designee shall supervise the search. In the course of a locker search, the school principal or his/her designee shall respect the privacy rights of the student regarding any items discovered that are not illegal or against school policy or rules.

**Seizure of Locker Contents**
When conducting locker searches, the school principal or his/her designee may seize any illegal or unauthorized items, items in violation of board policy or rules, or any other items reasonably determined by the school principal or his/her designee to be a potential threat to the safety or security of others. Such items include, but are not limited to, the following: firearms, explosives, dangerous weapons, flammable material, illegal controlled substances or controlled substance analogues or other intoxicants, contraband, poisons, and stolen property. Law enforcement officials shall be notified immediately upon seizure of such dangerous items or seizure of items that schools are required to report to law enforcement agencies under the Statewide School Safety Information Policy. Any items seized by the school principal or his/her designee shall be removed from the locker and held by school officials. The parent/guardian of a minor student, or a student 18 years of age or older, shall be notified by the school principal or his/her designee of items removed from the locker. In the course of a search conducted, the privacy rights of the pupil shall be respected regarding any items that are not illegal or against school policy. Reference: Revised School Code §380.1306.

**Video and Audio Monitoring Systems**
A video and/or audio monitoring system may be used on school busses and a video monitoring system may be in use in public areas of the school building. These systems have been put in place to protect students, staff, visitors and school property. If a discipline problem is captured on audio or video recording, these recordings may be used as the basis for imposing student discipline. If criminal actions are recorded, a copy of the recording may be provided to law enforcement personnel.

**DISTRICT-WIDE DRESS CODE**
The following dress code has been adopted by all schools in the Walled Lake Consolidated School District, upon recommendation of the Student Code of Conduct Review Committee (including students, parents, teachers, counselors, administrators, and bus driver). It is explicitly recognized that circumstances may cause individual schools to modify their dress and appearance expectations. In those cases, parents and students will be provided notice in advance of the effective date of the changes.

**Introduction**
The purpose of the student dress code is to promote learning in the classroom by promoting student safety and ensuring that students, staff members, and members of the educational community will not be distracted, harassed, or intimidated, by student dress. Students are expected to dress appropriately at all times. Inappropriate dress would consist of, but not be restricted to:

- Items that promote drugs, alcohol, or tobacco;
- Items with profane or sexually suggestive writing/pictures/images;

- Items that conflict with district policy, or state law;

Pants worn so undergarments are visible.

Questions regarding this dress code should be directed to your building principal.

INTERVENTION STRATEGIES AND DISCIPLINARY ACTIONS

It is not the intent of this Conduct Code to list every conceivable student infraction. The administration reserves the right to establish fair and reasonable regulations and to impose consequences for infractions that are not covered in this handbook. Matters omitted from this handbook should not be interpreted as a limitation to the scope of the school's responsibility and, therefore, the school's authority in dealing with any type of infraction that may adversely affect the health, safety and welfare of the students.

PREVENT AND PROHIBIT BULLYING

The Board of Education is committed to preventing and prohibiting bullying at school, consistent with Section 1310b of the Revised School Code. “Bullying,” for purposes of this policy, means any written, verbal or physical act, or any electronic communication, that is intended or that a reasonable person would know is likely to harm one or more District students, either directly or indirectly, by doing any of the following: substantially interfering with educational opportunities, benefits or programs; adversely affecting a student’s ability to participate in or benefit from educational programs or activities by placing a student in reasonable fear of physical harm or by causing substantial emotional distress; having an actual and substantial detrimental effect on a student’s physical or mental health; or, causing substantial disruption in, or interference with, the orderly operation of the school. “At school,” for purposes of this policy means anywhere on school premises, on a school bus or other school-related vehicle and at a school-sponsored activity, regardless whether the activity is held on school premises. “At school” includes the use of a telecommunications access device or telecommunications service provider owned by or under the control of the District.

Prohibition - The Board of Education prohibits the bullying of any District student at school, regardless of the motive of the perpetrator. The Board of Education also prohibits retaliation or false accusation against a target of bullying, a witness or another person with reliable information about an act of bullying at school.

Reporting, Notification and Investigation - District staff members and students are required to report to the building principal, or his or her designee, whenever they have reason to believe a District student has been subjected to bullying at school. Upon receiving a report of bullying, the building principal, or his or her designee, will promptly conduct an investigation; prepare a written summary, including his or her determinations of fact and culpability; initiate disciplinary action, if warranted; and, notify the parent(s) or legal guardian(s) of the victim and the perpetrator of his or her conclusions, consistent with the District’s FERPA policy. The investigation will include, at a minimum, interviews with and written statements from the putative victim and perpetrator. In the event of significant discrepancies in the accounts of the putative victim and perpetrator, the investigation will include interviews and written statements from witnesses and the review of documentary information, if available. The building principal will provide a copy of his or her written summary to the District’s Deputy Superintendent.

Implementation
Administrative Regulations - The Superintendent is authorized and directed to promulgate such administrative regulations as may be necessary to implement this policy consistent with Section 1310b of the Revised School Code.

Responsible School Official - The Principal of each school building is primarily responsible for implementing this policy for the school to which he or she is assigned.
Publication - The Superintendent is directed to revise the District’s Student Code of Conduct, consistent with this policy, to prohibit bullying at school. The Superintendent is also directed to post this policy and the District’s Student Code of Conduct on the District’s website.

Reporting - The Superintendent will report all verified incidents of bullying and the resulting consequences, including discipline and referrals, to the Board of Education on an annual basis.

STUDENT-ATHLETE HANDBOOK

The rules governing interscholastic athletes and co-curricular participants are set forth in the Athletic Code of Conduct. The rules are in addition to the rules established in the Student Code of Conduct. The rules governing athletes begin at the time a student enrolls in middle school and high school and apply until the student athlete graduates. Athletic participation is a privilege, not a right. Student athletes are required to conform to athletic policies throughout their middle school and high school career to promote the philosophies consistent with our mission. A student may be disciplined for violation of the Student Code of Conduct and Athletic Code of Conduct Handbook arising out of the same incident. The responsibility for the enforcement of the Athletic Code of Conduct rests with the coaches of the various teams, subject to the authority of building administrators and the Board of Education. Coaches are responsible for reviewing the Athletic Code of Conduct with the student athletes. The student will be required to sign a statement indicating that he/she is familiar with the athletic/co-curricular section of the Parent/Student Handbook before the season begins.

STUDENT TRANSPORTATION HANDBOOK

The rules governing students who ride the bus are set forth in the Student Transportation Handbook. The rules are in addition to the rules established in the Student Code of Conduct. The rules governing riders begin at the time a student enrolls in school and apply until the student graduates. A student may be disciplined for violation of the Student Code of Conduct and Student Transportation Handbook arising out of the same incident. The responsibility for the enforcement of the Student Transportation Handbook rests with the bus driver, subject to the authority of the building administration and the Board of Education. The student will be required to sign a statement indicating that he/she is familiar with the Transportation Handbook before the school begins.

20. **Unlawful Interference with School Authorities** – Interfering with administration, teachers or other school personnel by threat of force or violence.
21. **Verbal/Written Assaults (MCL.380.1311A(2)** – Verbal or written statements or behavior that put reasonable school personnel or students in fear of imminent injury to persons or property.

Minimum Actions
1. Administrator/student conference or reprimand.
2. Administrator/parent contact.
3. Out-of-school suspension from 6 to 10 school days (may vary at elementary level).

Additional Actions as Deemed Appropriate
1. Police notification.
2. Deferred or pending suspension.
3. Referral to Youth Assistance Program for alcohol/drug violations (applies to secondary level).

A. Level III Violation – Possession or Use of Alcohol/Drugs
1. Suspension will be set at a minimum of five school days with no long term suspension recommendation if the student and parent agree to the student’s participation in an alcohol/drug education course provided by the Walled Lake Consolidated School District.
   NOTE: Notwithstanding the statement above, repeated violations or situations considered critical by the building student assistance coordinator may result in immediate referral to an appropriate agency for professional assessment and/or possible treatment or recommendation for expulsion.
2. At the completion of an alcohol/drug education course, Youth Assistance will evaluate the student’s need for referral to an appropriate agency for professional assessment and/or possible treatment.
3. If a professional assessment is made:
   a. Youth Assistance will advise administration of the referral.
   b. Youth Assistance, working with administration, may provide the parent(s) with a completion deadline for the assessment process as well as a listing of possible resources.
   c. Evidence of assessment completion and implementation of treatment recommendations made by the assessor will be submitted to administration by the parent(s) on or before the deadline.
4. If the above conditions are not met, the remaining days of suspension will be imposed with a possible recommendation for expulsion.
LEVEL IV VIOLATIONS

Consistent with Michigan law, certain student conduct or acts will result in expulsion as is more specifically set forth below as Level IV violations.

Level IV violations are:

1. **Possession of a Dangerous Weapon on School Property** – Consistent with the Federal Gun-Free Schools Act, 20 USC 3351, consistent with the definition of the term “weapon” defined by 18 USC 921 including, but not limited to, any weapon, (including a starter gun) which will, or is designed to, or may readily be converted to, expel a projectile by action of an explosive; or any destructive device which includes any explosive, incendiary, or poison gas, bomb, grenade, rocket having a propellant charge of more than four ounces, missile having an explosive or incendiary charge of more than 1 ¼ ounce, or mine.

The following violations, although not required, are mandatory expulsions still permitted under state law at the sole discretion of the district:

1. **Arson** – Defined as felony violation of chapter X of the Michigan Penal Code, MCL 750.71 to 750.80.
2. **Criminal Sexual Conduct** – Defined as a violation of section 520b, 520c, 520d, 520e, or 520g of the Michigan Penal Code, MCL 750.520b-g.
3. **Physical Assaults** (MCL380.1311a(12)(B)1 – Defined as intentionally causing or attempting to cause physical harm against a district employee, volunteer, or a person contracted for the district by a student in grade six or above.
4. **Possession of A Dangerous Weapon on School Property** – BB guns, pellet guns, and look-alike “toys,” razor blade, or any similar object defined as a firearm, dagger, dirk, stiletto, knife with blade over three (3) inches in length (as measured from point where handle ends), a pocket knife opened by a mechanical device, iron bar or brass knuckles.
5. **Possession with Intent to Distribute Alcohol/Drugs** – Selling, supplying, delivering, giving away, intending, or otherwise transferring to another person any regulated, controlled or unauthorized substances, including, but not limited to, alcoholic beverages, marijuana, intoxicants, drugs, “look-alike” substances that are misrepresented as drugs to another person, or imitation controlled substances.

Minimum Actions

1. Out-of-school suspension will be set at a minimum of 10 school days.
2. Police will be notified.
3. Recommendation for expulsion will be made.

LEVEL IV DISCIPLINE PROCEDURE

The following actions must be taken for all Level IV violations:

1. Conference to include student and administrator. Due process investigation completed.
3. Contact between administrator and parent.
4. Suspension of student pending a hearing by the district.
5. The district will hear evidence at such hearing, and if the student is found to have committed any Level IV offense, s/he may be permanently expelled.
6. The district will refer the expelled individual to the Department of Social Services, Community Mental Health, and criminal justice agencies within three school days, and so notify parents, or the student if s/he is 18 years of age or is an emancipated minor; further, consistent with applicable federal and state laws, the district will refer the expelled individual to the local law enforcement agency and juvenile section of the probate court where appropriate.
7. Parents or legal guardians of students in grade 5 or below may petition for reinstatement after 60 school days, to take effect after 90 school days (provided the weapon is a firearm or a threat has been made with the dangerous weapon) or, may petition for reinstatement at anytime, to take effect after ten school days (when the weapon is not a firearm, and there has been no threat made with the dangerous weapon).
8. Parents or legal guardians of students in grade 6 or above may petition for reinstatement after 150 school days, to take effect after 180 school days.

9. The district may elect to operate a program for Level IV expulsion students. It must be in facilities, or at times, separate from those used for the general student population. The district may also advise parents or legal guardians, in advance, of possible parental actions which might lead to favorable action on a petition for reinstatement.

10. This policy does not diminish the due process rights of those eligible for special education programs and services.

**LONG-TERM SUSPENSION OR EXPULSION CONSIDERATION**

Presumption Against Long-Term Suspension or Expulsion and Consideration of Individual Factors. Consistent with Michigan law, the School District adopts a rebuttable presumption students should not be disciplined by the imposition of long-term suspension (i.e., more than 10 school days) or expelled (i.e., more than 60 school days) unless the School District has determined, in its sole discretion, the presumption has been rebutted by considering each of the following seven factors:

1. The student's age;

2. The student's disciplinary history;

3. Whether the student is disabled within the meaning of IDEA or ADA/Section 504;

4. The seriousness of the student's misconduct or behavior;

5. Whether the student's misconduct or behavior threatened the safety of any pupil or staff member;

6. Whether restorative practices will be used to address the student's misconduct or behavior; and,

7. Whether less severe discipline would properly address the student's misconduct or behavior.

This rebuttable presumption does not apply to short-term suspensions (i.e., 10 school days or fewer) or to a student who possesses a firearm in a weapons free school zone. However, with respect to all out-of-school suspensions and expulsion (short-term or long-term), the School District administrator implementing the suspension, shall consider and document consideration of the seven factors listed above on a form approved by the Superintendent.

**Restorative Practices.** Consistent with Michigan law and in every case, the School District will consider restorative practices as an addition or alternative to suspension or expulsion. Restorative practices are practices that emphasize repairing the harm of the victim and the School District community of a student's misconduct or other behavior. Restorative practices may be considered and implemented by a restorative practices team. The restorative practices team may be constituted and act in the manner described in Section 1310c(2) of the Revised School Code [link] or in a similar manner, depending on the circumstances as a whole in the sole discretion of the School District administrator assigned to handle the misconduct or behavior or the Board of Education (if the Board of Education is handling the misconduct or behavior).

Restorative practices should be the first consideration to remediate offenses such as interpersonal conflicts, bullying, verbal and physical conflicts, theft, damage to property, class disruption and harassment, bullying and cyberbullying.
LONG-TERM SUSPENSION OR EXPULSION PROCEDURES

Pre-hearing:
Recommendation for Long Term Suspension or Expulsion

Step One: (Investigation)
Building administrator investigates and decides that suspension for 11 or more days or expulsion is warranted. A packet is compiled, scanned, and emailed to the Deputy Superintendent, which includes the written recommendation for long term suspension or expulsion.

Step Two: (Correspondence)
The student and parents receive written notification which includes the following information:

1. the charges against the student
2. the recommended disciplinary action (long-term suspension or expulsion)
3. the fact that a hearing will be held before the Deputy Superintendent
4. the procedures to be followed at the hearing
5. the right to representation at the hearing by an attorney

Step Three: (Scheduling the hearing)
Ideally, the long-term suspension/expulsion hearing should take place before the initial maximum 10 day suspension period is exhausted. However, if scheduling conflicts prohibit this to occur, the building administrator may decide whether the student's presence in school would present a danger to the student himself/herself, or to other students, school personnel or the educational process. In the case where it would present a danger or disruption, the student shall remain out of school pending the decision of the Deputy Superintendent of Schools. If the student would not present a danger or disruption as described above, the student may be returned to school pending the decision of the Deputy Superintendent. Schoolwork will be provided throughout all suspension periods or extended days out of school.

Hearing
A hearing before the Deputy Superintendent of Schools will be held for the purpose of determining the truth or falsity of the charges against the student and, if the charges are true, the principal's recommended disciplinary action will be imposed. If the student and his/her parent(s) or guardian notify the district that they waive their right to a hearing before the Deputy Superintendent of Schools, the principal's recommended disciplinary action shall be imposed.

The Deputy Superintendent of Schools may amend the principal's recommendation based on evidence presented at the hearing. This amendment may include the imposition of a greater or lesser penalty than recommended by the principal.

Voluntary Agreements of Discipline
At any time during the disciplinary proceedings, the Deputy Superintendent may enter into a written contract with the student and his/her parent(s) or guardian, creating an agreement and settlement of the matters. In such cases, the written agreement shall be final and binding and may not be later challenged by the Deputy Superintendent or the student and his/her parent(s) or guardian.

Post-Hearing
The Deputy Superintendent of School's decision shall be given orally to the student and parent(s) or guardian within two (2) school days after the close of the hearing and a written decision shall be mailed not later than four (4) school days after the close of the hearing. These timelines, however, may be extended by the Deputy Superintendent due to extenuating circumstances. The Deputy Superintendent of School's decision shall be final and not subject to further appeal.
1. **Suspension/Expulsion**

   In order to protect the health and safety of students and employees and to prevent threatened disruption to the education process, an otherwise eligible resident student may be suspended or expelled on the basis of:

   a. a prior act of misconduct committed outside of school hours and/or off School premises when the student was not enrolled in the Walled Lake Schools;
   
   b. a prior act constituting a gross misdemeanor, and other acts of misconduct, while the student was enrolled in another district.

   If the act or gross misdemeanor or other misconduct would constitute a sufficient basis for suspension or expulsion had it occurred while the student was attending the Walled Lake Schools.

2. **Due Process Procedure**

   **Step One: Pre-hearing Recommendation for Suspension/Expulsion**

   The building administrator, with the consent of the Superintendent of Schools, or his/her designee, shall make the initial judgment if a student's prior misconduct is of sufficient gravity that the student's presence in school would represent a threat to the health and safety of other students and/or school personnel or threaten disruption to the educational process. If the initial judgment is that the student's presence in school represents such a threat, the student shall be temporarily suspended from school and the student and the parent(s) or guardian shall be notified of:

   a. the prior act of misconduct relied upon by the building administrator which forms the basis for his/her decision to deny attendance;
   
   b. the building administrator's recommendation regarding the suspension or expulsion of the student;
   
   c. the fact that a hearing will be held before an impartial school employee (Deputy Superintendent of Schools);
   
   d. time, place, location and procedures to be followed at the hearing; and
   
   e. the right to appeal any adverse decision of the Deputy Superintendent of Schools if a suspension is for more than thirty (30) school days or if the Deputy Superintendent of Schools or designee recommends expulsion.

   The student and/or his/her parent(s) or guardian may waive their right to a hearing before the Deputy Superintendent of Schools or designee. In such cases, the principal's recommended disciplinary penalty of suspension or expulsion, as the case may be, shall be imposed.

   **Step Two: Hearing**

   If the due process hearing is not waived, the Deputy Superintendent of Schools shall convene a hearing for the purpose of determining if the student's prior act of misconduct is an act of gross misdemeanor or other misconduct which would constitute a sufficient basis for suspension or expulsion had it occurred while the student was attending the Walled Lake School District. If the prior act would be of sufficient basis, and the student's presence in school would represent a threat to the health and safety of other students and/or school personnel or threaten a disruption to the educational process, then the Deputy Superintendent of Schools shall decide the appropriate disciplinary penalty.

   The Deputy Superintendent of Schools may amend the charges upon its own motion to conform to the evidence presented at the hearing. Additionally, the Deputy Superintendent of Schools may impose a greater or lesser penalty than that recommended by the building administrator. The Deputy Superintendent of Schools' decision shall be given orally to the student and parent(s) or guardian not later than two (2) business days after the close of the hearing. If possible, a written decision shall be mailed not later than four (4) business days after the close of the hearing. After conducting the due process hearing, the decision of the Deputy Superintendent of Schools shall be final and not subject to further appeal.
3. **Administrative Procedures**  
The administration shall implement procedures to ensure, to the extent practical, that a student, upon enrollment, has not committed an act of gross misdemeanor, or other misconduct, prior to attending the Walled Lake Schools, which gross misdemeanor or misconduct would represent a threat to the health and safety of students and/or employees or threaten disruption to the educational process.

4. **Disclosure of Information at Time of Enrollment**  
At the time of enrollment, a student, parent(s) or guardian shall not give false or incomplete information, or fail to disclose information, relative to a student's prior act of gross misdemeanor, or other misconduct. A violation will result in disciplinary proceedings being initiated against the student.

5. **Right of Placement**  
Adjudicated students transitioning from a secured facility may be admitted into an appropriate transitional educational facility or program affiliated with Walled Lake Schools.

In order to maintain an academic climate conducive to each student's success in the pursuit and transmission of knowledge, the secondary schools in Walled Lake have established a set of academic standards for all of their students. We want all students to develop into strong leaders and students who are well prepared for the challenges of lifelong learning. The development of academic integrity is critical for personal success not only today but for tomorrow. As such, we have the following standards with regard to academic integrity.

**Academic Integrity**

Students are expected to conduct themselves to the highest standards of personal integrity. Students must adhere to the rules prohibiting academic dishonesty and resist peer pressure to violate these high standards of integrity. Students are expected to use honest methods to fulfill academic expectations and responsibilities. Whenever students have any questions about this procedure or any procedure, they should ask their teachers, counselors, or administrators. Academic dishonesty is defined as: cheating, plagiarism or otherwise obtaining grades under false pretenses.

As stated in the *Walled Lake Student Code of Conduct*, academic dishonesty is engaging in academic cheating. Cheating includes, but is not limited to, the actual giving or receiving of any unauthorized aid or assistance, or actual giving or receiving of unfair advantage on any form of academic work. A student shall not engage in plagiarism, which includes the copying of language, structure, idea and/or thought of another and representing it as one's own original work.

**Academic Dishonesty includes but is not limited to:**
- Copying another student’s work, including electronic and visual mediums,
- Submitting copied information from the Internet,
- Providing homework to another student,
- Disclosing test-related material,
- Dishonest actions reported by the teacher, and
- Using or possessing “crib” or “cheat” notes, or accessing text when not permitted on quizzes and tests.

**Plagiarism includes but is not limited to:**
- Copying another student’s work or previously published material or ideas from any source and submitting them as one’s own,
- Allowing a student to copy one’s work,
- Intentionally or inadvertently leaving your written work available in a place that makes it possible for someone to copy, sending it electronically to someone, or lending someone a notebook, a paper, or disk that contains your written work,
- Altering words or the order of words from another source and submitting them as one’s own,
- Submitting work written by college students, former students, tutors, friends, or other adults as one’s own, and
- Submitting work as one’s own that was produced by unauthorized collaboration on assignments designed to be completed independently.

Michigan law (SB 294 & HB 4218) effective for the 2004-2005 school year, allows local school boards to determine the policy on the use and possession of cellular phones (cell phones) and other electronic signaling devices such as pagers on school campuses.

Furthermore, the WLCSD cell phone policy is provided to balance considerations of student safety and well-being with the need to maintain a learning environment free from distractions.

II. Authority
The Walled Lake Consolidated School District holds high expectations for student behavior, academic integrity and responsible use of existing and emerging technologies, such as cellular phones, digital picture/video cameras and/or phones and other personal electronic devices capable of capturing and/or transmitting data or images. Students who possess and/or use such devices at school or school-sponsored events shall demonstrate the greatest respect for the educational environment and the rights and privacy of all individuals within the school community.

The district shall not be liable for the loss, damage, or misuse of any electronic device brought to school by a student.

III. Delegation of Responsibility
The Superintendent or designee shall annually notify students, parents/guardians and staff about the district's electronic device policy by publishing such policy in the student handbook, newsletters, posted notices, and other efficient methods.

IV. Guidelines
Standards for Responsible Use at School, On Buses or at School Sponsored Activities

Respect for the Educational Environment

1. Students may bring cellular phones and other personal communication devices (PDAs) into school buildings on two conditions: first, that parents and students agree to permit District personnel to search the contents of those PDAs whenever they have reasonable suspicion a student has violated the Student Code of Conduct and the PDA contains information concerning that violation; and, second, that students not use PDAs during instructional time. In either case, the District may be required to temporarily confiscate the PDA.

2. With prior approval of the school principal, teachers may permit the purposeful use of personal electronic devices in support of curriculum learning objectives.

3. Students shall not use any electronic device that in any way disrupts or detracts from the educational environment.

4. Use of cellular phones or other personal electronic devices is prohibited in classrooms during the school day, media centers and testing centers, assemblies, and during fine arts performances.

5. Students will not be allowed to leave class in response to any electronic devices.

6. High school students may use cellular phones and other devices if used appropriately and respectfully before and after classes, in common areas such as near lockers or the cafeteria or outside on school grounds. Elementary and middle school students are not permitted to use cellular phones and other electronic devices during the school day.

7. In the case of medical necessity or emergency, a student shall be permitted to possess or use a cell phone or other personal electronic device provided the student receives advanced authorization from the school principal.
8. Cellular phones and other personal electronic devices shall be turned off and kept out of sight during instructional time.

V. Respect for Privacy Rights
1. Students shall not photograph or videotape other individuals at school or at school-sponsored events without their knowledge and consent, except for activities considered to be in the public arena such as sporting events or public performances.

3. Use of cellular phones or other personal electronic devices is strictly prohibited in locker rooms and restrooms.

VII. Compliance with Other District Policies
Use of cellular phones or other personal electronic devices must not violate any other district policies, including those regarding student privacy, copyright, cheating, plagiarism, civility, student Code of Conduct, electronic technologies acceptable use, or harassment. If a violation occurs involving more than one (1) district policy, consequences for each policy will apply.
1. Introduction

This document formalizes the Technology Acceptable Use Policy and Guidelines for the Walled Lake Consolidated School District, further known as (WLCSD), Network, technology equipment, resources, and other electronic or social media used for WLCSD-related purposes. Use of WLCSD technology equipment, Network, resources, or other electronic or social media shall constitute acceptance of the terms of the Technology Acceptable Use Policy and Guidelines.

2A. WLCSD Administrator Responsibilities

It is the responsibility of a WLCSD Network Administrator to ensure that only employees and students in the WLCSD are registered users of the WLCSD Network. Each building administrator is responsible for making certain that their employees and students understand and abide by the Acceptable and Unacceptable Uses and Other Electronic or Social Media as stated in this document (Paragraphs 3 and 4). If an administrator has reason to believe that a user is misusing WLCSD technology equipment, Network, resources, or other electronic or social media, the administrator has the right to discontinue the student's privileges to WLCSD technology equipment, Network, resources, or other electronic or social media. Students must abide by the Acceptable and Unacceptable Uses and Other Electronic or Social Media as stated in this document (Paragraphs 3 and 4). If a student does not comply with the Technology Acceptable Use Policy and Guidelines, the WLCSD has the right to discontinue the student's privileges to WLCSD technology equipment, Network, resources, or other electronic or social media and to impose discipline, if warranted.

2B. WLCSD Educator Responsibilities

It is the responsibility of educators who are using the WLCSD Network, technology equipment, resources, or other electronic or social media to teach students about safe and responsible use of the Internet and WLCSD Network, technology equipment, resources, or other electronic or social media. Educators are responsible for monitoring students' use of the WLCSD Network, technology equipment, resources, or other electronic or social media and to intervene if students are using WLCSD Network, technology equipment, resources, or other electronic or social media inappropriately. Educators should make sure that students understand and abide by the Acceptable and Unacceptable Uses and Other Electronic or Social Media as stated in this document (Paragraphs 3 and 4). If an educator has reason to believe that a student is not complying with the Technology Acceptable Use Policy and Guidelines, the educator has the right to request that a WLCSD Network Administrator allow the educator to access the student's WLCSD Network account in order to review the use of WLCSD Network or other electronic or social media by the student. It is also the responsibility of the educator to report any non-compliance to the educator's WLCSD building administrator or supervisor.

2C. WLCSD Student Responsibilities

It is the responsibility of students who are using WLCSD technology equipment, Network, resources, or other electronic or social media, to learn about safe and responsible use of the Internet and WLCSD technology equipment, Network, resources, or other electronic or social media. Students are responsible to use WLCSD technology equipment, Network, resources, or other electronic or social media appropriately. Students must abide by the Acceptable and Unacceptable Uses and Other Electronic or Social Media as stated in this document (Paragraphs 3 and 4). If a student does not comply with the Technology Acceptable Use Policy and Guidelines, the WLCSD has the right to discontinue the student's privileges to WLCSD technology equipment, Network, resources, or other electronic or social media and to impose discipline, if warranted.

3. Acceptable and Unacceptable Uses

The WLCSD Network resources available to WLCSD users are to be used for WLCSD educational purposes only. Users should not use the resources of the WLCSD Network to store any files that are not for WLCSD educational purposes.

It is unacceptable for users to use the WLCSD Network, technology equipment, resources, or other electronic or social media for:

- furthering any political or religious purpose
- engaging in any commercial or fundraising purposes
- sending threatening or harassing messages
- gaining unauthorized access to technology or telecommunications networks
- interfering with the operations of technology equipment, Network, resources, or other electronic or social media, including placing a virus on any technology equipment or...
Given the nature of electronic and social media, the following Unacceptable Uses stated in this document (Paragraph 3).

2. WCSD employees who use social media for educational or WCSD-related purposes must provide the employee’s building administrator or supervisor with full review to the employee’s sites and posts and the posts of the employee’s correspondents.

3. WCSD employees may not combine educational/business sites and communications with personal sites or communications.

4. WCSD employees must identify themselves by name, as opposed to communicating anonymously or by an alias.

5. WCSD employees and students must bear in mind that electronic and social media are not private and that posts may be accessed years later. For these reasons, communications on electronic and social media will be held to the same standards as communications at school.

6. WCSD employees may not participate in personal use of social networking activity during work hours.

5. No Expectation of Privacy
WCSD resources, sites and posts used for WCSD educational or WCSD-related purposes are the property of WCSD and are to be used in conformance with the Technology Acceptable Use Policy and Guidelines. A WCSD Network Administrator, and/or other WCSD designee, retains the right to inspect any user’s Network Home Directory (H: Drive) and the files it contains, or any user’s E-mail. Users are advised that messages in discussion forums, including deleted messages, are regularly archived and can be retrieved from the WCSD Network. In addition, a WCSD Internet Firewall automatically checks all data moving between the local area Network and the Internet and logs the sending and receiving destinations on the WCSD Network.
