Hello from the Glengary Kindergarten Teachers,

We welcome you and want you to know we are excited to start the new school year with you. To make life a bit easier, we want to suggest a few items that your kindergartener will need for school. **LABEL ALL** personal belongings with your child’s first name or initials. Taking the time to label all things before school begins will help misplaced items be returned to their rightful owner.

**This includes:**
- Large backpack – should be large enough to hold lunch box, snow pants, hat, gloves, etc... all at the same time
- Lunch box
- Coats – for fall/spring and winter – Your child needs to be able to put on coat and zip the zipper unassisted
- Tennis (Sport) Shoes – they need to keep an extra pair at school for use during winter and P.E. so your child does not have to carry shoes back and forth. If they have laces, your child needs to be able to tie their own shoes; otherwise, Velcro or slip-ons are preferred.
- Extra Change of Clothes – to be kept at school in cubby in case of emergencies
- Hat
- Mittens/Gloves
- Snow pants
- Winter Boots

**Kindergarten Supply List**
In kindergarten, the majority of supplies are provided, but the following items are needed for the classroom. It is **NOT** necessary to label these items. The following items are collected and distributed when needed. We thank you for your cooperation and participation.

- 2 boxes of tissues
- 4 or more boxes (24 count) **Crayola** Crayons
- 4 or more black chisel tip **EXPO** Dry Erase Markers
- 10 or more **Elmer's** glue sticks (.21 oz.)
- 2 or more containers disinfectant wipes (**Clorox**)
- 2 or more containers of **Wet Ones**

Thank you for your cooperation.
