Dear HWE Families,

As we continue to receive information from the state and district, I will continue to share what I am able with you. Please see below for further information regarding our school closures.

**Food Services:** Meals are available for all Walled Lake students that need support in this aspect. Meal distribution will be once per week beginning Monday, March 16th from 1:45 p.m. – 3:00 p.m. at Walled Lake Western High School (600 Beck Rd, Commerce Charter Twp, MI 48390) outside of the Gym. Each Monday, we will be providing breakfast and lunch for Tuesday, Wednesday, Thursday, Friday, Saturday, Sunday and the following Monday. We will provide 7 days of breakfast and 7 days of lunch meals to children in need. Parents will be given shelf stable meals and/or meals that they can heat at home for their children which include an entree (Protein/Grain), fruit and/or veggie and a milk. We encourage parents to stay in your cars as we deliver these meals to your vehicles.

Additionally, we are working with our Student Pantry to provide some other food options for families that have received supports from us during the holidays. We will look to contact families individually when we have more information about this opportunity.

**Technology Supports:** The ability to borrow technology for academic use is being made available to all students in Walled Lake. Pickup will be available on both Tuesday, 3.17.2020 and Wednesday, 3.18.2020, from 7:00 a.m. to 10:00 a.m. and from 4:00 to 7:00 p.m. at the following locations:
- Walled Lake Northern High School
- Walled Lake Central High School
- Walled Lake Western High School

Please follow specific signage to the designated locations for pick-up of technology and resources.

**Academic Support Packets:** Your child’s teacher has prepared an individualized packet for your learner. These are available for all students that were absent on Friday, 3/13/2020 in the main office on Monday between 8:30 a.m. and 4:00 p.m.

Further information about online learning options will be forthcoming after information is given to staff on Monday.

This is a time of rapidly changing information and I appreciate your continued attention to these emails. Please see the District website ([www.wlcsd.org](http://www.wlcsd.org)) and the COVID-19 link on the District homepage.

Stay safe and stay healthy,

Patricia
