We are excited to offer a wide variety of athletic experiences for our students. The beginning of each year affords us the opportunity to reflect on past achievements with pride and look ahead to accomplishments in the classroom and on the athletic field during the upcoming year. We recognize and appreciate our parents for their many contributions and the exemplary modeling they provide our students. Thank you for your continued support!

Sports Physicals

All student-athletes must have an up-to-date physical on file to practice with any of our athletic teams. Students are not permitted to begin practices and/or try-outs until their current physical has been turned in. A physical dated on or after April 15, 2019 is acceptable for this school year.

Athletic Eligibility Guidelines

- All student-athletes must be positive role models, demonstrate respectful behavior toward their peers and staff in the building in order to participate. Students not in good standing in the area of citizenship will be removed from an athletic team or not allowed to begin an athletic season.
- Students must maintain a 2.0 grade point average
- Eligibility will be compiled on a weekly basis
- If your child is ineligible for three consecutive weeks he/she may be removed from the team
- The use of any illegal substance as stated by the district code of conduct, will not be tolerated. Violation will result in removal from team.

Pay to Participate

7th and 8th grade students must pay $200.00 to participate in a sport if they make the team. One fee covers all sports during the 2019 - 2020 school year. 6th grade students may participate in cross country, wrestling, or track on a limited basis with no fee. Parents must also complete a Pay to Participate Contract. Contract forms will be available at “Geisler Get Going” and may be downloaded from our website. Payments cannot be made to coaches and we encourage paying online. Payments are also accepted in the counseling office. Financial assistance is available for qualifying students. Payments are due in full prior to the first game or contest. Participation Fees apply to 7th and 8th grade students only.

Additional Information

- Our school website has an athletics tab which contains schedules, physical forms, and more information.
- Please be aware that all student-athletes must be picked up within 15 minutes from the time practice/game ends. Exceptions will not be made. Having a ride daily is a prerequisite for participating.
- Please contact the coach with specific sport questions and please call Assistant Principal Mr. Pipkin at 248.956.2931 or e-mail him at kylepipkin@wlcsd.org with general athletic questions.
- All athletes must have a lock to secure their belongings in the locker room. Ensuring one’s belongings is a personal responsibility, not the schools. We provide a locker to utilize for each athlete.
- Daily behavior expectation—We value academics and athletics, but put academics first. Any athlete having a disciplinary issue in school will not be permitted to attend athletics that day. This goes for practice or a game.
