Good Day!

Welcome to Geisler Middle School!

Geisler Middle School is the “Home of the Wolves.” We are a diverse community that celebrates our global identity in everything we do. Geisler Middle School is a “National School of Character,” awarded by the Character Education Partnership organization. Our core values celebrate diversity, integrity, community and equity. The Geisler School Community sets high expectations for our students, and takes our motto, “The strength of the pack is in the wolf, and the strength of the wolf is in the pack,” (Kipling) to heart. We accomplish these goals by involving all members of our community – parents, students, faith leaders, and other community organizations. We consider our entire community to be members of the “Wolf Pack” of Geisler Middle School.

As principal of Geisler Middle School, I bring 30 + years of experience and education to Walled Lake. I am also a parent to three adult children, so I remember vividly the challenges of middle school. Prior to my time at Geisler, I was a music teacher (K-12, general and choral for 17 years. I have also been a high school English teacher and a middle school intervention teacher). In total, I have been in public education since 1988. After having three children, I then continued my education in Administration and Educational Leadership through Oakland University. In 2011, I earned my Ph.D. in Ed Leadership after completing my research regarding how teachers learn and grow best in the school organization. In January, 2012, a portion of that research was published in Teaching and Teacher Education Journal, an international, peer reviewed research journal. In January of 2013, I came to Geisler Middle School.

If you ever have any questions or concerns regarding your child's education here at Geisler Middle School please know that my door is ALWAYS open. It is easiest to reach me via email, but you can also set up an appointment or just drop in if I am available.

Have an outstanding day! GO WOLVES!!
