Dear Keith Families,

On behalf of the entire Keith Elementary staff, I would like to welcome back our returning families, and I would like to extend the warmest of welcomes to our new families who are joining us for the first time! Keith Elementary celebrates a tradition of excellence in education by setting high expectations for academic, social, and emotional growth. Our dedicated staff and our supportive parents jointly facilitate the development of our students as eager, life-long learners and as compassionate, responsible human beings. Keith Elementary honors the arts, promotes healthy lifestyle choices, develops student leadership, and encourages selflessness through a culture of caring and a spirit of giving. We are committed to continual improvement through collaboration and innovation as we propel our learners to lives of achievement, meaning, and fulfillment.

The Keith family consists of parents, staff, and community members who are committed to ensuring our students learn at the highest levels. The purpose of Keith Elementary is to advance the learning of all students, and with your help, we can! Our mission is to guide all of our students as they become active, socially responsible leaders and contributors with the knowledge, skills, and character to be successful. We will achieve our mission by setting high expectations, emphasizing learning and growth, actively and continually improving, and utilizing research-based best practices. Additionally, we embody the 7 Habits in creating a culture of caring, respect, and collaboration in which all students thrive.

I look forward working with each of you during the coming year to provide the best possible education for your child. As partners in education, please do not hesitate to contact me if you have any questions or concerns. Together, we will make Keith Elementary the best place to be!

Respectfully,

Phillip M. Pittman
Principal
