March 27, 2020
Dear Dragon Families,
Please know how much the Keith staff and I have been thinking about you and your children. Each morning I watch the news and find myself connecting with the stories of kindness and hope. I am always thankful and amazed for the heros, many of you in our own community who are dedicating yourselves to your work during this challenging time. I know several of our families work in the medical field, police force, or service industry, where frankly - we couldn’t keep going without your help and support. From the bottom of my heart, please know how thankful I am to live in a community where kindness matters. I know our Keith Staff agrees and thanks everyone in our community for your service during this unprecedented time.
This morning on the news, I was thankful to hear teachers gain some time in the spotlight for their efforts as well. Our teachers are heros too with the efforts they put forth to keep our children engaged in learning, while remaining sensitive to their social emotional needs. If you have a moment and are able, please know it would mean the world if you can give a quick Shout Out to our teachers.
If your children are interested, please have them join our school-wide Google Classroom. The code is: jv6elav
Here is our Parent Update in lieu of our normal Dragon’s Tale Newsletter. Thank you to those who were able to join in our “Keith Spirit Week” fun this past week.
Enjoy the weekend with your amazing children.
Warm Regards,
Marci Augenstein, Principal

The Purpose of the Keith community is to collaboratively inspire and empower all- academically, socially, and emotionally.
