Dear Parents,

Welcome to the most exciting part of your son/daughter’s senior year. The time between spring break and graduation is filled with many activities, reminders, duties and calendar dates. All of us at Northern know the anxieties that exist with our seniors. However, we also know that parents have anxious moments as well. We will attempt to relieve those anxieties as much as possible by telling you everything you need to know about the events leading up to the end of the senior year of high school.

This packet of materials contains a calendar of events as well as comprehensive information about commencement, which will be held on the campus of Eastern Michigan University. We have included an article called “Parent Tips” that will apprise you about several issues that may help parents through graduation, prom, parties, etc. A complete description of all issues related to prom is included. Students attending the prom must sign a Prom Contract (included) or they will not be allowed to attend.

We hope this will be a terrific experience for you and your graduating senior. Do not hesitate to email one of the senior class sponsors if you have questions: Ms. Laura Jablway, LauraJablway@wlcsd.org or Mr. Doug Irey, DouglasIrey@wlcsd.org.

Yours in Education,

Gregory Diamond, Principal
Walled Lake Northern High School
