Paying for College in Michigan 2012-13

You know higher education is a lifetime investment and will help you meet your life goals.

Part of getting there is having the financial help you might need to pay for college.

Whether college is many years away or you are going to be enrolling soon, this guide can help you get connected to many different sources of help.

Information is power! Information can help you pay for college in Michigan!
Starting Early: College Savings Plans

The earlier financial planning takes place, the better. Families can plan ahead by pre-paying tuition or saving and investing over time. The following two programs assist Michigan families in this effort:

**Michigan Education Trust** — The Michigan Education Trust (MET), Michigan’s guaranteed tuition program, allows parents, grandparents, or others to pre-purchase undergraduate tuition and mandatory fees. The contract price is based on current tuition costs and the age or grade of the child. For additional information about MET, call 1-800-MET-4-Kid (1-800-638-4543) or access the Web site [www.setwithmet.com](http://www.setwithmet.com).

**Michigan Education Savings Program** — The Michigan Education Savings Program (MESP) is a savings/investment program designed to assist families with preparing for higher education expenses. A child’s parents or others can open an account for the child/beneficiary. The MESP account then can grow through regular contributions and investment growth. For additional information about MESP, call 1-877-861-MESP (1-877-861-6377) or access the Web site [www.misaves.com](http://www.misaves.com).

Applying for Financial Aid

The main sources of student financial aid are the federal government, state government, institutions (colleges and universities), and private sources such as associations, foundations, employers, and unions. To be considered for most financial aid programs, students must file the Free Application for Federal Student Aid (FAFSA) after January 1 of their high school senior year, and each year thereafter when applying for aid. This can be done online at [www.fafsa.gov](http://www.fafsa.gov). (A paper form can be ordered by calling 1-800-433-3243.) Priority consideration for state programs is given to those students who apply and whose application is received by the federal processor by March 1.

Prior to completing the online FAFSA, the student and at least one parent must obtain a Personal Identification Number (PIN) access code at [www.pin.ed.gov](http://www.pin.ed.gov). The PINs are used as the electronic signatures for the FAFSA, and they allow access to the student’s financial aid records.
Michigan Financial Aid Programs

These programs are awarded by the State of Michigan:

**Michigan Competitive Scholarship** — The Michigan Competitive Scholarship (MCS) is based on both financial need and merit. Competitive Scholarship funds may be used at Michigan public and independent, nonprofit, degree-granting postsecondary institutions. A student must take the ACT prior to entering college and achieve a qualifying score. *(NOTE: Students need to put their Social Security Number on the their ACT so that their test results and FAFSA records can be matched to determine eligibility. If you do not want your SSN on your test booklet, then contact Student Scholarships and Grants (SSG) by phone at 1-888-447-2687 and provide your SSN.)*

**Michigan Tuition Grant** — The Michigan Tuition Grant (MTG) is based on financial need for use at private, nonprofit, degree-granting colleges and universities in Michigan.

**Tuition Incentive Program** — The Tuition Incentive Program (TIP) encourages eligible students to complete high school by providing tuition assistance for the first two years of college and beyond. Students must be Medicaid eligible for 24 months within the 36 months before application. Students may be identified as TIP eligible as early as age 12. Since the student must be Medicaid eligible for 24 months out of a 36 consecutive month period, we will look back at the 36 months period prior to the date of the student’s 12th birthday. Medicaid eligibility prior to that 36-month period is not counted. The program targets students with financial need, so students are encouraged to also complete the FAFSA.

**Children of Veterans Tuition Grant** — The Children of Veterans Tuition Grant (CVTG) is designed to provide undergraduate tuition assistance to certain children older than 16 and less than 26 years of age who are the natural or adopted child of a Michigan veteran. The veteran must have died or become totally and permanently disabled as a result of military service.
**Police Officer's and Fire Fighter's Survivor Tuition Act** — The Police Officer's and Fire Fighter's Survivor Tuition Act program (STG) provides for the waiver of tuition at public community colleges and state universities for the surviving spouse and children of Michigan police officers and fire fighters killed in the line of duty.

For additional information about Michigan student aid programs, contact the Student Scholarships and Grants office by phone at 1-888-4-GRANTS (1-888-447-2687), by email at ssg@michigan.gov, or visit the Web site www.michigan.gov/ssg.

**Federal Financial Aid Programs**

These programs are awarded by the financial aid office of the college you attend:

**Federal Pell Grant** — The Federal Pell Grant is a grant for undergraduate students who demonstrate financial need and have not yet completed a bachelor's or professional degree.

**Federal Supplemental Educational Opportunity Grant** — The Federal Supplemental Educational Opportunity Grant provides funds to undergraduate students with exceptional financial need. Priority consideration is given to Federal Pell Grant recipients.

**Iraq and Afghanistan Service Grant** — For students who are not eligible for a Pell Grant due to not meeting the program's need requirement and whose parent or guardian died as a result of military service in Iraq or Afghanistan after September 11, 2011.

**Federal Work-Study** — The Federal Work-Study program provides part-time employment for undergraduate and graduate students with financial need to assist with paying educational expenses.
**Federal Loans** — Federal Direct Stafford Loans and Federal Perkins Loans are available for students, and the parent PLUS loan is available for parents. These funds can help families pay college expenses. They are loans that must be repaid with interest.

*For additional information about Federal student aid programs, contact the U.S. Department of Education at 1-800-4-FED.AID (1-800-433-3243), or visit the Web site www.studentaid.ed.gov.*

**Searching for Scholarships**  
When searching for other scholarship sources, remember the following:

- Check local sources first through the high school guidance office and local civic groups and businesses.
- Start searching early, during high school junior year.
- Use free, reputable Internet search services. Beware of scams and services requiring payment.
