Dear First Grade Families,

We are saving you the hassle of searching for just the right thing and we will purchase in quantity. We are asking each family for a one-time supply fee to last the whole year.

Your child can go shopping for a special backpack and lunchbox, and we will take care of the rest. The supply fee will be $50 per student, which includes their daily folder fee, party money and school supplies for the year!

On the first day of school, each child will get an envelope for their fee collection. Please wait until then to pay.

Thank you for your support!
