Continuity of Learning and COVID-19 Response Plan (“Plan”)  
Application Template

Great Start Readiness Program (GSRP) and  
Early Childhood (EC) Addendum

Note: The term “district” also applies to public school academies and community-based organizations for the GSRP EC Addendum.

As a result of COVID-19 and the closing of school buildings for the 2019-2020 School Year, school districts must submit a Continuity of Learning and COVID-19 Response Plan (“Plan”) in order to continue to receive state aid for operations. Although schools are closed and not providing in-person instruction, teaching and learning must continue. Michigan educators have been called to provide our students with continued learning.

There are varied states of readiness to provide continuity in learning among districts. Even within districts of multiple school sites, there are varied states of readiness. It is expected that schools will provide instruction at a distance using a variety of methods that meet local needs, including printed materials, phone contact, email, virtual learning, or a combination to meet student needs. We should avoid assuming that continuity in learning can only occur through online means.

While many educators have been providing distance learning opportunities, the Governor’s Executive Order (EO 2020-35) requires all schools to begin providing learning opportunities for all students no later than April 28, 2020. Districts who are able to begin their plans earlier are encouraged to do so.

Each District shall submit a single completed Assurance Document, Budget Outline, and Continuity of Learning Plan to its Intermediate School District. Each Public School Academy shall submit a completed Assurance Document, Budget Outline, and Continuity of Learning Plan to its Authorizer. A single Application should be filed for the district rather than multiple applications for individual schools within a district. The following items are required for the application which may be submitted beginning April 8, 2020:

1. Assurances Document
2. Continuity of Learning Plan
3. Budget Outline
Continuity of Learning and COVID-19 Response Plan (“Plan”)
Guiding Principles

As Districts and Public School Academies complete the Assurances and Continuity of Learning Plans, they should consider utilizing the following principles to guide their work:

Keep Students at the Center
Intentional outreach to continue building relationships and maintain connections. Help students feel safe and valued. At minimum, plan to do the following:
- Plan for Student Learning: Build on each student’s strengths, interests, and needs and use this knowledge to positively affect learning.
- Develop a Weekly Plan and Schedule: Offer routines and structures for consistency and for the balancing of think time, work time, and play time for health and well-being.
- Contact Families: Partner to support student learning through ongoing communication and collaboration. This will not look the same for every student and family—safety remains the priority. Provide translations as necessary.

Design Learning for Equity and Access
Plan and deliver content in multiple ways so all students can access learning.
- Teach Content: Set goals using knowledge of each student, content area standards, and of Michigan Merit Curriculum.
- Deliver Flexible Instruction: Consider how to deliver content depending on tools and resources accessible to each student. Alternative modes of instruction may include use of online learning, telephone communications, email, virtual instruction, videos, slideshows, project-based learning, use of instructional packets, or a combination to meet diverse student needs.
- Engage Families: Communicate with families about engagement strategies to support students as they access the learning. Families are critical partners. Provide translations as necessary.

Assess Student Learning
Manage and monitor student learning and plan what’s next for learning including the potential need for summer and supplemental learning.
- Check Student Learning: Use a variety of strategies to monitor, assess, and provide feedback to students about their learning.
- Make Instructional Adjustments: Use formative assessment results to guide educators’ reflection on effectiveness of instruction and to determine next steps for student learning.
- Engage Families: Communicate with families about assessment results in order to inform next steps and the potential for supplemental summer learning. Provide translations as necessary.

Name of Intermediate School District: Oakland Schools

Name of Authorizing Body (if applicable):

This Assurance document needs to be returned to your Intermediate School District or, for Public School Academies, your Authorizing Body with your Continuity of Learning Plan and Budget Outline beginning April 8, 2020 to indicate that the District will adopt a plan to ensure continuous learning for all students through the remainder of the 2019-2020 school year.

Districts should submit a single district plan that relates to all of their schools.

The applicant hereby provides assurance it will follow the requirements for a Plan for the remainder of the 2019-2020 school year:

1. Applicant assures that all student learning will take place under the direction of a teacher of record for each student enrolled in the district.
2. Applicant assures that it will continue to pay school employees during the balance of the 2019-2020 school year under the same terms and conditions established prior to the school closure order period.
3. Applicant assures that the Plan was developed in collaboration with district administrators, school board members, teachers, and local bargaining units.
4. Applicant assures that food distribution has been arranged for or provided for eligible students.
5. Applicant assures coordination between applicant and Intermediate School District in which the District/PSA is located to mobilize disaster relief child care centers.
6. Applicant assures that to the extent practicable the District/PSA will in good faith provide students with IEPs/Section 504 Plans the opportunity to participate in learning consistent with existing plans.
7. Applicant assures that Continuity of Learning and COVID-19 Response Plan, Assurance
Document, and Budget Outline will be posted immediately following approval to the District’s/PSA’s website.
Continuity of Learning and COVID-19 Response Plan (“Plan”)

Great Start Readiness Program (GSRP) and Early Childhood (EC) Addendum

Note: The term “district” also applies to public school academies and community-based organizations for the GSRP EC Addendum.

The goal of a Continuity of Learning Plan and COVID-19 Response Plan is to ensure that each District or Public School Academy is providing, to the best of its ability, each student with alternative modes of instruction to help them stay on pace in their learning. This application recognizes that there is no “one-size-fits-all” solution; multiple means of engaging students and supporting families may be necessary that may vary by grade level, school building, or student population served.

For the purposes of the Plan, “district” refers to school districts and public school academies.

Name of Intermediate School District: Oakland Schools

Name of Authorizing Body (if applicable):

In accordance with Executive Order 2020-35 a Plan must include all of the following parts:
1. Please describe the methods the district will use to provide alternative modes of instruction other than in-person instruction and a summary of materials each pupil and the pupil’s parents or guardians will need to access meaningfully the alternative modes of instruction included in the Plan. If the Plan relies on electronic instruction, the Plan must ensure to the extent feasible that pupils have access to a connected device capable of accessing the electronic instruction and must not penalize a pupil for the pupil’s inability to fully participate.

“Alternative modes of instruction” means modes of pupil instruction, other than in-person instruction, that may include, without limitation, partnerships with other districts or intermediate districts or community colleges or institutions of higher education, use of vendors, use of online learning, telephone communications, email, virtual instruction, videos, slideshows, project-based learning, use of instructional packets, or a hybrid of multiple modes of learning that still promote recommended practices for social distancing to mitigate the spread of COVID-CD.

District/ PSA Response:

Walled Lake GSRP will use mixed media modes of interaction and instruction to provide children and families with relationship-based support built from their individual strengths, interests and needs. Congruent to the methods of communication established throughout the year, each teaching team will expand upon those methods while ensuring the comfort level of the parents. These strategies are grounded in relational trust, well-being and equitable learning opportunities as delineated in Oakland Schools GSRP Guidance for Continuity of Child Development and Learning Plans. Walled Lake GSRP will use an online learning plan for the remainder of the school year (Bloomz, Remind, Zoom meetings, interactive websites and emails.) For families that have limited technology/internet, teachers and administration have collaborated to provide technology resources. Paper packets with age appropriate activities were provided to families in need during the final weeks of March 2020. Should any family indicate that they would prefer hard copy activities and resources, staff will provide that personalized support.
2. Please describe the methods the district will use to keep pupils at the center of educational activities, including outreach to continue building relationships and maintain connections, and to help pupils feel safe and valued.

**District/ PSA Response:**

Walled Lake GSRP staff will provide weekly activities via email that can be utilized daily with children (or on the schedule of the parent’s choosing) and/or resources to families through Bloomz, and/or Remind. All lessons and activities shared align with our Key Developmental Indicators (KDI) and Child Observation Record (COR) guidelines. Parents are encouraged to post pictures to Bloomz or Classroom Facebook pages of their child’s active participation in the lesson/activity. Teachers provide feedback and are available for questions and/or concerns. Teachers will hold a virtual meeting once a week with children and families from their classroom. Teachers plan fun interactive small/large group activities for the virtual meeting. Teachers read aloud weekly, and encourage children and families to read along with them, showing the pages of the book during the read aloud. All GSRP staff are available through Bloomz, Remind, email and by phone daily for children and families. Teachers are using a spreadsheet to monitor communication, and have reached out to ensure the family well-being for those who have not participated in any of the week’s opportunities.

In addition, the program will provide each family an opportunity to participate in an end of year virtual parent teacher conference. We are guided to document the conversation with the unique form developed by Oakland Schools. Our guiding principal in all that we do is to strengthen the relationships between the teachers and families, and to assist in every way to the fullest extent possible.
3. Please describe the district’s plans to deliver content in multiple ways so that all pupils can access learning.

**District/ PSA Response:**

Walled Lake GSRP plans will provide mixed media delivery for GSRP children, including but not limited to Bloomz app, Remind, Zoom meetings, COR Advantage, emails and phone calls. Activities use typical household items in a developmentally appropriate manner. Culturally respectful plans will include both small group and individualized instruction that will meet the needs of all children, inclusive of those with special needs. The program has the assistance of three ESL para educators who continue to support our English learners through phone calls, participation in Zoom meetings, and any other needed translations.
4. Please describe the district’s plans to manage and monitor learning by pupils.

District/ PSA Response:

Walled Lake GSRP teaching teams will document plans and interactions with children and families. These plans will be made accessible to the Early Childhood Specialist (ECS). Teachers will also input observations of learning into the Child Observation Record (COR) system. The ECS will support and coach teaching teams related to child learning. If a child has not been reachable by the teaching team, there will be documentation of the attempts made i.e. phone calls, emails, texting, driving by the home address, and/or calling the next contact on the emergency card.
5. Please attach a budget outline estimating additional expenditures associated with the Plan and sources of revenue to pay for those expenditures.

District/ PSA Response:

We do not expect to incur additional costs beyond our GSRP allocation to support implementation of this plan. If, at any point, we forecast a difference of spending that is equal to or greater than 10% of a subtotal we will notify the ISD to attain review and approval prior to moving forward.
6. Please describe the manner in which district administrators, board members, teachers, and any representatives of teachers collaborated in development of the Plan.

**District/ PSA Response:**

Plans were developed initially through a collaborative effort of the entire preschool staff in March. Resources are communicated through group email and shared drives, both within district as well as the ISD resources. GSRP staff meets bi-weekly virtually to discuss ideas, lessons, activities and concerns, to continue to refine our work.

The GSRP Director will share plans with Walled Lake School administration.

GSRP has received guidance from the Oakland Schools Early Childhood Team who led a collaborative process with LEA/PSA/CBO leaders, including teachers, in countywide meetings to develop informal then written Guidance for Great Start Readiness Program (GSRP) Continuity of Child Development and Learning Plans. This resource established an overarching purpose; 10-step process for maintaining positive relationships with families and differentiating support in a strengths-based way to meet each child’s needs; Considerations for Family Partnerships; Recommendations for Families to Establish a Remote Learning Routine; and Recommendations for Teachers to Connect With Families while allowing flexibility for programs to customize individualized support for children and families. This ongoing support is invaluable to our continued work.
7. Please describe the methods the district will use to notify pupils and parents or guardians of the Plan.

**District/ PSA Response:**

The Preschool Supervisor, Joan Sare, and each GSRP Teacher and Associate teacher notified children and parents or guardians of the plan through a variety of methods including program email, messages sent through COR Advantage, and telephone calls. The district will also publish this plan on the district website.

We understand families have the right to opt out of participation in this continuity of learning plan. If a family communicates that to our program we will document it and keep on file in the child’s folder.
8. Please provide an estimate of the date on which the district will begin implementation of the Plan, which must be no later than April 8, 2020.

Note: 5/7/2020 GSRP/EC

District/ PSA Response:

Implementation of this plan began March 16, and will continue through June 12th, 2020.
9. Not Applicable GSRP/EC
10. Please describe how the district will continue to provide or arrange for continuation of food distribution to eligible pupils.

**District/ PSA Response:**

The Walled Lake School District Free Meal Distribution provides a week’s worth of children’s meals to families. There are multiple distribution sites, and delivery is available upon request. Area meal distribution information from other school districts and resource agencies is shared via email and social media. Families were also referred to the school website’s COVID-19 resource web page.
11. Please confirm that the district will continue to pay school employees while redeploying staff to provide meaningful work in the context of the Plan, subject to any applicable requirements of a collective bargaining agreement.

**District/ PSA Response:**

Walled Lake Schools has continued to pay GSRP lead teachers and associate teachers while deploying staff to provide meaningful work within the context of the plan, subject to applicable requirements of a collective bargaining agreement and in accordance with the Governor’s executive order 2020-65. Provide describe how the district will evaluate the participation of pupils in the Plan.

**District/ PSA Response:**

Efforts to communicate and connect with children and families will be tracked using the program’s communication log. This includes family check-ins as well as synchronous and asynchronous learning opportunities for the child. The program will analyze these logs to ensure outreach efforts and to identify effectiveness. Teaching teams will ask families during check-ins about how learning is going. If gaps are determined, programs will work with families to problem-solve and locate alternatives using district or ISD resources.

Teaching teams will enter child observations into the COR Advantage that are collected from either live contacts or from family submissions. Teaching teams will encourage the sharing of moments related to learning activities. Written plans will document opportunities for children’s individualized learning.
12. Please describe how the district will provide mental health supports to pupils affected by a state of emergency or state of disaster prompted by COVID-19.

District/ PSA Response:

Walled Lake GSRP is reaching out to individual families through Remind, with the assistance of the district Early Childhood Social Worker, and through Zoom video conference with the help of the Mental Health Consultant, Karen Anthony, from Oakland Schools. Staff members are working with families through email, Remind and Bloomz to nurture strong relationships and identify needs and strengths of families and children. Through these trusting relationships, staff are prepared to refer families to available mental health supports for children and/or adults. Staff may contact their ECS, Oakland Schools Early Childhood Mental Health Consultants, and/or Help Me Grow Care Coordinators to stay up-to-date on available mental health supports for children and families.

Oakland Schools has gathered many resources, including Mental Health supports that are available to all staff.
Optional question:

14. Not Applicable GSRP/EC

In the event that the Oakland ISD contacts Walled Lake GSRP to mobilize an emergency child care center, the district will work to partner with the local ISD to provide care for children of essential workers. Oakland Schools has been working throughout the community to coordinate emergency child care for children birth through 12 years for essential workers in collaboration with Help Me Grow.

At the time that we are writing this plan we are currently closed.

The Great Start Collaborative and Great Start Parent Coalition have offered continuation of services moving virtually and by phone. The first week the parent liaisons called parents by phone to connect and learn how parents wanted to participate. Moving forward the Parent Coalition has taken feedback from parents to continually adjust to the needs of participating parents. We have provided individual phone calls, small virtual meetings, larger event meetings and most recently Facebook live events which are topical, based parent feedback. The Great Start Collaborative moved immediately to develop systems to support essential workers including bringing in Help Me Grow to support directing essential workers to open childcare. We are also working daily with childcare providers to learn which providers are currently taking children. We are continuing to conduct collaborative meetings and workgroups virtually and offering call in options. Parents continue to participate in these as well.

Programming:
Great Start Collaborative Oakland, Oakland Family Services and Oakland County Health Division, will make a good faith effort to implement remote home visitation services for children prenatal to age 5 both to the extent possible under the current circumstances of COVID-19. A variety of alternate modes of instruction/interaction will be used to implement all components home visitation. Possible modes include video conferencing, audio conferencing, sharing video recordings, telephone interactions, printed materials, email, text messages, postal delivery services, or a hybrid of multiple modes.

2. Please describe the methods the district will use to keep pupils at the center of educational activities, including outreach to continue building relationships and maintain connections, and to help pupils feel safe and valued.

Great Start Collaborative Oakland, Great Start Parent Coalition, Oakland Family Services and Oakland County Health Division, will work toward connecting with every family that had been receiving services before the stay home effort. They will continue to maintain regular connections with families during this time. They will also continue to take on new referrals and support families in any way possible to meet the family’s needs.

3. Please describe the district’s plans to deliver content in multiple ways so that all pupils can access learning.

12. Provide describe how the district will evaluate the participation of pupils in the Plan.

ISD Response:
Great Start Collaborative Oakland, Great Start Parent Coalition, Oakland Family Services and Oakland County Health Division, will continue to keep a record of participating parents with services provided as well as meet model fidelity around parent goals.

13. Please describe how the district will provide mental health supports to pupils affected by a state of emergency or state of disaster prompted by COVID-19

Great Start Collaborative Oakland, Great Start Parent Coalition are supporting mental health through providing information including virtual meetings on mental health and self-care at least monthly. We are also creating material around the 6 components of wellness to distribute throughout our network of parents across the early childhood systems. We have received feedback from parents as this the biggest need, but many parents are overwhelmed by information. We are working with DPTV to create messaging around this need as well.

OFS is providing referrals to families with mental health needs to various behavioral health supports and providers. OFS is providing virtual behavioral health services during the COVID-19 crisis and available to our home visiting clients. In addition, the OFS early childhood department has an EC mental health specialist on staff who is available to provide support to families if needed. OCHD refers all clients in need of mental health services to Access line. As well as each home visitor has been trained and provided resources via Best Start for Babies Newsletter on how to help families cope with the COVID disaster.
Oakland Schools Early On Continuity of Learning Plan

1. Please describe the methods the district will use to provide alternative modes of instruction other than in-person instruction and a summary of materials each pupil and the pupil’s parents or guardians will need to access meaningfully the alternative modes of instruction included in the Plan. If the Plan relies on electronic instruction, the Plan must ensure to the extent feasible that pupils have access to a connected device capable of accessing the electronic instruction and must not penalize a pupil for the pupil’s inability to fully participate.

Oakland Schools Early On, which consists of all 28 LEAs and Oakland Family Services and Oakland County Health Division, will make a good faith effort to implement remote early intervention services for infants and toddlers with disabilities (both for children eligible for Part C Only and for children eligible for Part C and MMSE) to the extent possible under the current circumstances of COVID-19. A variety of alternate modes of instruction/interaction will be used to implement all components of Early On, in accordance with federal Part C of IDEA regulations and the Michigan State Plan, including services, evaluations, assessments, initial and annual IFSPs, periodic reviews, and transition plans/conferences. Possible modes include video conferencing, audio conferencing, sharing video recordings, telephone interactions, printed materials, email, text messages, postal delivery services, or a hybrid of multiple modes.

2. Please describe the methods the district will use to keep pupils at the center of educational activities, including outreach to continue building relationships and maintain connections, and to help pupils feel safe and valued.

Early On is a relationship based service delivery model and service providers are dedicated to building strong relationships with the families they serve. Moving to distance learning will not change this emphasis. Early On providers will continue to connect with families regularly to maintain those important relationships and supports.

3. Please describe the district’s plans to deliver content in multiple ways so that all pupils can access learning.

Early On service providers, together with families, will decide upon the most appropriate mode of service delivery and the appropriate time of day and length of time for all services. Connections will be weekly, bi-weekly or monthly based on the needs of the child, the services documented in the IFSP, and the frequency specified in LEA CoL plans. Any family that is not able to fully engage in online or remote learning will be given access to learning resources that focus on developmentally appropriate activities for the home setting.

4. Please describe the district’s plans to manage and monitor learning by pupils.

Progress toward child and family outcomes will be assessed at least once every six months, or more frequently as needed, using the Periodic Review process. Periodic Reviews may be conducted virtually via telephone or videoconference.

5. Please attach a budget outline estimating additional expenditures associated with the Plan and sources of revenue to pay for those expenditures.
Early On will require minimal changes to the federal budget. An amendment process will reallocate resources into the supply item to accommodate the purchase of virtual testing kits, evaluation protocols, and other office supplies.

Program Supplies:  $8000  
Office Supplies    $2000

6. Please describe the manner in which district administrators, board members, teachers, and any representatives of teachers collaborated in development of the Plan.

The Early On Continuity of Learning plan was developed as a collaborative process engaging multiple stakeholder groups. Input was elicited from partner agency managers, special education administrators, ISD staff in both Early Childhood and Special Populations, Early On service providers and families. The plan was refined by the SEAOC Birth to Five Support Team and supported by all Oakland County special education directors, OFS Director of Early Childhood Services, and the Chief Community Nursing Programs.

7. Please describe the methods the district will use to notify pupils and parents or guardians of the Plan.

Early On service providers in all partner agencies began communicating with families March 11, 2020 with regular updates about the details within the continuity of learning plan. Multiple methods of communication have been used including email, phone, social media updates, texts, teleconferencing, and US mail.

8. Please provide an estimate of the date on which the district will begin implementation of the Plan, which must be no later than May 7, 2020.

Early On services resumed across Oakland Schools in accordance with the start date of instruction stated in each LEA’s CoL plan. A review of the LEA CoLs identified April 13, 2020 as the earliest start date with all LEAs resuming instruction by April 28, 2020. The two agencies with whom Oakland Schools contracts for Early On resumed services on April 13, 2020.

11. Please confirm that the district will continue to pay school employees while redeploying staff to provide meaningful work in the context of the Plan, subject to any applicable requirements of a collective bargaining agreement.

All staff will continue to be paid and no adjustments are needed in Early On staffing due to COVID-19.
12. Provide describe how the district will evaluate the participation of pupils in the Plan.

Early On providers are documenting and monitoring all contacts with families including those services that are declined or cancelled. This detailed documentation will allow service providers to evaluate the participation of individual students in the remote learning plan. If a family has difficulty engaging in services as agreed upon, service providers will offer modifications to encourage meaningful family participation.

13. Please describe how the district will provide mental health supports to pupils affected by a state of emergency or state of disaster prompted by COVID-19
