• A safe and friendly place where children can feel comfortable, socialize with their peers, and meet new friends.

Our Parents say . . .

“My children and I love the staff, activities and the safety of the program. My children wanted to go everyday.”

-Kathy Suggs

“My three children attend Prime Time at Keith Elementary. Each morning begins with a warm, friendly, and genuine smile. The well-structured environment allows our kids a choice of appropriate activities, stimulating games, supervised recreation, and a spot to work quietly. Creativity is supported with wonderful crafts and the excellent staff goes out of their way to make each kid feel special. I can’t say enough good things about this service. How fortunate we are to have available such a terrific program staffed with such caring adults. Great people make a program great.”

-John M. Gregg

What is Prime Time Care?

Prime Time Care is a state-licensed childcare service operated by the Walled Lake Consolidated School District. For the times you can’t be there yourself, it is reassuring to know that Prime Time Care supports your efforts to ensure your child is in a safe, nurturing, and positive environment. Our tuition-based program is designed for parents who require child care before and/or after school. Experienced staff seeks to meet the physical, emotional and intellectual needs of your children.

PTC Offers:

- safe, well-equipped centers
- caring staff
- choices of creative activities

- Mid-Winter Break
- Arts and Crafts
- Working together
- Sports
- Computer Lab
- Snowman Contest
- An opportunity for children to participate in a variety of activities that are developmentally appropriate and also allow for social, physical, and intellectual stimulation.
