The National Parent Teacher Association

Membership is open to anyone who believes in the mission and purposes of the Parent Teacher Association. Every person who joins a local PTA automatically becomes a member of both the state and national PTSAs.

PTA Mission

PTA's mission is to make every child's potential a reality by engaging and empowering families and communities to advocate for all children.

PTA Values

- **Collaboration:** We will work in partnership with a wide array of individuals and organizations to broaden and enhance our ability to serve and advocate for all children and families.

- **Commitment:** We are dedicated to children's educational success, health, and well-being through strong family and community engagement, while remaining accountable to the principles upon which our association was founded.

- **Diversity:** We acknowledge the potential of everyone without regard, including but not limited to: age, culture, economic status, educational background, ethnicity, gender, geographic location, legal status, marital status, mental ability, national origin, organizational position, parental status, physical ability, political philosophy, race, religion, sexual orientation, and work experience.

- **Respect:** We value the individual contributions of members, employees, volunteers, and partners as we work collaboratively to achieve our association's goals.

- **Accountability:** All members, employees, volunteers, and partners have a shared responsibility to align their efforts toward the achievement of our association's strategic initiatives.
Goal and Objectives

Our goal is to establish strong alliances between the Parents, Local Units, the Administration, Board of Education, Michigan PTA and National PTA to benefit every child in the Walled Lake School District by speaking with one voice.

Our objectives are to:

- Ensure that we operate in an environment where all are welcomed, where different points of views are heard and we rally support so we speak for every child with one voice
- Provide opportunities to support, grow and learn from each other during the Council Roundtables
- Rally support on key legislative issues that impact our students by providing information in such a way that is understood, viewed as important and be able to provide the tools for parents to take action
- Provide support and guidance to local units on PTA matters by reaching out to units and being a valuable resource for them
- Provide opportunities for parents in our district to gain more knowledge through the Western Oakland County Parenting Education Fair and bring in outside speakers to address the issues that impact our students
- Showcase the positive impact that PTSA/PTA have on our schools and students at our annual Presidents & Principals Breakfast, Reflections Celebration and Installation and Awards Ceremony
- Provide timely and pertinent information through the PTSA Council Website at http://wlcsd.org/parents/walled-lake-pts-council/

Irene Daniels Scholarship Award

Walled Lake PTSA Council

The Walled Lake PTSA Council has established a Scholarship Fund in the memory of Irene Daniels. Mrs. Daniels was a mother at Twin Beach Elementary and was very involved with the school’s PTA. She also served as secretary of the Walled Lake PTSA Council and assisted other PTA’s. Mrs. Daniels was described as a wonderful, caring and giving person. Unfortunately, Irene Daniels became ill and passed away in 1964. She leaves a legacy of caring for children, which continues today.

The purpose of the Irene Daniels Walled Lake PTSA Council Scholarship is to encourage worthy students to undertake a post-secondary course of study. The Council Scholarship Committee reviews applications and qualifications of students from Walled Lake Central, Walled Lake Northern and Walled Lake Western High Schools, and one winner from each school is selected every year. The PTSA Council bases some of the criteria of the scholarship on volunteerism, leadership, school activities/honors, and recommendations by counselors or teachers. The three students selected each receive $750 to use toward future educational costs.

If you are interested in having your student apply for this scholarship, log into the District website at: www.wlcisd.org. Then click on the ‘Parents’ tab on the upper right. Scroll down the drop down menu to ‘Walled Lake PTSA Council,’ click on that link. Then choose ‘Irene Daniels Scholarship Award’ from the list on the right side of the screen. Applications are due the third week in March to the student’s high school counseling department. Any questions regarding this scholarship can be addressed to Kim Quinn-Haver at quinnhaver@comcast.net.
